Becky and Mike,

It was nice seeing you at the CPP stakeholder meeting this morning. Attached is DNR's final SO₂ boundary recommendation for the July 2016 designations, which is up for adoption at tomorrow's MACC meeting in St. Louis. As I mentioned, DNR decided to go with an unclassifiable recommendation for Labadie.

We'll be in touch soon about a possible meeting to discuss this and other issues related to SO₂.

Regards,

Ken
